

TST - Titan Standard Tilters / Tilt Tables

Titan's Standard Tilter (TST) is built with reinforced platforms and a heavy duty welded frame. Its 8" lip on tilt edge and raised height of 45 degrees helps with smooth material handling everytime. Select from Titan's 2000, 4000, 6000 or 8000 lb capacity tilt tables, depending on your requirements.

Model	Capacity	Platform Size	Lowered Height	Raised Height	Motor
TST20-4848	2000	48x48	1/2"	45 Degree	1
TST40-4848	4000	48x48	1/2"	45 Degree	1
TST60-4848	6000	48x48	1/2"	45 Degree	1
TST80-4848	8000	48x48	1/2"	45 Degree	3
